

DH2023 Reviewer Nomination

If you are willing to serve as a reviewer, but unable to access Google Forms, please nominate yourself by completing this PDF form.

Reviewing is a responsibility and requires a commitment to review a minimum of four reviews in any of the formats available for the conference. In agreeing to review, candidates should be aware of this responsibility and should conduct themselves by the Conference Code of Conduct: <https://adho.org/conference/code-of-conduct/>.

DH2023 will use the open peer review process. Authors and reviewers will know each other's identity. The review process will include an opportunity for authors to respond to the reviews.

Our guidelines and recommendations for reviewing for DH2023 can be found here: https://dh2023.adho.org/?page_id=471.
